governWell™ partners with Linden Consulting to bring WHA members quality board education, strategy development, board retreat facilitation, and more! Since 2009, Linden Consulting has provided trusted consulting services for hospitals, health systems, and healthcare associations in rural and urban communities.

governWell™ Essentials for Governance Excellence Program is a comprehensive yet easy to use package of governance resources and board education. The program includes nine issue areas and eleven modules that provide everything needed to advance your board's knowledge, skills, structure, practices, and capacity for success. There are over 125 governance knowledge-building educational programs including on-demand videos, webinars, written BoardBriefs, and model governance resources that can be customized to meet your organization's unique needs. Collaborating governance experts offer a unique set of governance, education, and strategy guidance to assist rural healthcare boards as they lead services in their communities.
